

SUPPORT STOREFRONT MANITOBA

Storefront Manitoba has promoted a vital livable city for over a decade - now we need your help to continue supporting inspired transformational urban design. Through events like Cool Gardens, the Winnipeg Design Festival, community installations like the Little Red Library, public forums on a Livable City, and Table for 1200, we have demonstrated how thoughtful design makes cities more vibrant, inclusive, and connected.

Our work has helped thousands experience the value and impact of good design – how it shapes the way we live, connect, and thrive together.

Now, we are at a turning point. Without immediate support from people who believe in the power of design, much of this vital work could come to an end. This is your moment to keep Manitoba's public spaces inspiring, welcoming, and full of possibility.

DONATE or **SPONSOR** today to make it possible for us to deliver a rich roster of 2026 programming.

Learn more about opportunities to support on the next few pages and help us reach our target of \$100,000.

Your city thanks you.
