2026

# About Storefront's Table for 1200

Storefront's annual fundraiser brings together architecture, design, and the culinary arts to create a spectacular outdoor 'pop-up' dining experience with entertainment and stimulating conversation in an absolutely unique setting. It is Storefront Manitoba's annual fundraiser, and aims to raise awareness about the value of architecture, design, and urbanism.

**Revenue supports our programming celebrating great design in Winnipeg including the Winnipeg Design Festival, dCool Gardens Design Installations, and more.**

Storefront Manitoba celebrates creative design through cooperative engagement for the benefit of the public, advancing the awareness and importance of design, through all scales of architecture and urbanism, knowing that together we can create integrated, livable, and sustainable communities.
